the center. The center does an excellent job assisting those in need in our community. Shown from left in front are: Brenda Hill, Tina Simmons, Butch Perry, Larry Montgomery and Ivaloo Cline. Second row: Marilyn Wanda Ferguson, Jane Zanker, Don Perry. Absent, Marion Lawton.

## Bass, Trout Fingerlings Available

CANTON — The St. Lawrence County Soil and Water Conservation District will again be offering bass and trout fingerlings to interested landowners.

Order forms for the large mouth bass fingerlings are currently available at the Soil and Water District office. The order deadline is July 7. The bass will be arriving July 14. The bass are well suited for shallower warm water ones. Fathead minnows are also available to stock as forage for the bass.

Trout fingerlings will be delivered during the second week of October. Rainbow, brown, and brook trout measuring 3 to 5 inches will also be available. You may want to take water temperature measurements during July and August to determine if your pond provides suitable habitat for trout.

Pond owners will have to obtain a free stocking permit through the New York State Department of Environmental Conservation before stocking. Permit forms are available through the Soil and Water

District Office. If you have any questions concerning the stocking programs or if

you would like some literature pertaining to the type of fish to stock, contact Nick Carbone at 386-3582.

**Why Pre-Arrangements?**

Talking about death is often difficult. Yet a death in the family may create problems for survivors which can sometimes be alleviated by discussion and pre-planning. Funeral and burial arrangements are an important consideration and should be discussed openly and frankly. Pre-arranging and sometimes pre-financing a funeral are methods some people choose to assist their survivors after death occurs.

## Voter Registration At Super Duper

Are you registered to vote? If not, on June 14 from 11 a.m.-5 p.m. come to the Super Duper in Park Plaza, Ogdensburg. It's easy and it's painless. The voter registration drive is a public service brought to you by the League of Women Voters of St. Lawrence County and the Ogdensburg Constitution Bicentennial Commission, with the assistance of the New York State Bicentennial Commission.

In 1920 the 19th Amendment gave the vote to blacks in all federal and state elections. But it was not until 1964, with the passage of the 24th Amendment that the poll tax or property regulation for federal elections was abolished, thus truly enabling blacks to vote.

In 1970, the 15th Amendment gave women the right to vote and from that fight evolved the League of Women Voters, whose purpose is to inform citizens and actively participate in government. It is open to both men and women.

The 26th Amendment, passed in 1971, gave voting rights to 18 year olds for the idea was that if they were old enough to fight in Vietnam, they were old enough to make election choices.

So, exercise the right to vote by getting registered at Super Duper, June 14.
